Collaboration

ABOUT ME

I am a first year university student with a passion for taking on challenges and broadening my knowledge through unique opportunities. With years of work and volunteer experience, my creative and collaboration skills have helped me connect meaningfully with others along the way. I am greatly interested in any opportunity to expand my skillset and work with new people!

WORK EXPERIENCE

PIANO TEACHER (2016-2018)

Self-Employed

- Taught children piano techniques and musical pieces in preparation for the Royal Conservatory of Music (RCM) piano examinations
- Adopted a friendly teaching style and communicated regularly with parents regarding their child's progress

VOLUNTEER EXPERIENCE

MATH TUTOR (JAN 2022-AUG 2022)

Youth Initiative Vancouver

- Taught key mathematical concepts to young students according to the BC Mathematics Curriculum
- Created lesson plans, study material, and graded homework for each class

AMBASSADOR PROGRAM DIRECTOR (APR 2021-JUN 2023)

Frontline Immunity

- Coordinated seasonal Ambassador Program sessions by recruiting students, communicating with workshop facilitators, and creating educational content for social media platforms to increase vaccine literacy
- Trained 500+ student ambassadors, with 200+ schools represented
